REP. COOK HOSTS GIRL SCOUT DAY AT THE CAPITOL

State Representative Michelle Cook (D-Torrington) today hosted Girl Scout Day at the Capitol, an event that she is honored in hosting every year.

“This is an annual event that I look forward to because it allows me to meet young female leaders from across the state,” Rep. Cook said. “Girl Scouts is an organization that builds courage, confidence, and character and I will continue to support its mission. It was a pleasure to host and I am truly excited to see the bright future that lies ahead for these girls.”

After reciting the Girl Scout Promise, Rep. Cook was honored during a pinning ceremony for being a member of the Honorary Girl Scout Troop at the Capitol.

“I helped established this group with Secretary of State Denise Merrill several years ago,” Rep Cook said. “It is important that girls know there are strong female leaders in government who are advocating on their behalf and protecting their rights. I am proud to be part of this bi-partisan group of legislators

Girl Scout Day at the Capitol gives Girl Scouts throughout Connecticut a chance to meet one-on-one with legislators to learn more about our democratic process, and to highlight the important initiatives that 35,000 Girl Scouts and more than 17,000 Girl Scout volunteers find critical in every community
